Mission

We, the Los Angeles Academy Middle School community, provide all students with a positive learning environment in which they are inspired to succeed academically and socially.

Vision

Los Angeles Academy Middle School will be a model school where all students become life-long learners, critical thinkers, and responsible contributors to the global community.

***** **STUDENT SECTION** *****

Student Restrooms

The restrooms in the 1000 and 3000 buildings are open during class time. The restrooms in the 6000 building are only open during Nutrition, Lunch and after school. All restrooms are locked during the first and last 15 minutes of each period.

Absences

Students must clear each absence with a note from home the day they return to school. Uncleared absences will be marked as a truancy.

Yearbooks

Students can purchase a Yearbook in the Student Store for the ridiculously low price of only \$25. Hurry and order your copy today.

Dump and Stack

Students, please remember that Styrofoam trays do not go in the trash cans. Please dump the contents of the tray in the trash can and then stack the tray in the blue container nearby. It's an easy and pain-free way to keep the trays out of our landfills, and it's easy to remember: "Just dump and stack", and you have made the world a better place.

***** **STAFF SECTION** *****

Quote of the Week:

"Teachers in America almost universally continue to call on students who raise their hands, then move on- while the rest tune out or fall behind because no one took a moment to see if they understood the material." Mike Schmoker

This Week's Planned Absences:
