LAAMS Art Students' Special Project Helps Beautify the Campus

Recently, Ms Stein, one of our Art teachers, and several of her students, volunteered their time to paint the glass surrounding the elevator in the classroom buildings. They worked many hours on their own time creating a scene that adds a touch of whimsy to the quad area.

The glass surrounding the elevator in the Classroom Buildings is now adorned with a whimsical scene.

Upcoming Events:

Oct. 6-10	Hispanic Heritage Celebrations
Oct. 24	Last Day for Track C Minimum Day; 12:40 Dismissal
Oct. 27	Track B Returns

School Mission

We, the Los Angeles Academy Middle School community, provide all students with a positive learning environment in which they are inspired to succeed academically and socially.

Ms Stein and her students, Sully Gutierrez, Daniel Torres, Jocelyn Gonzalez, Maria Flores, and Victor Maravillas, pose in front of their creation.
